

CS3244 Team 30 Statement of Independent Work

We declare in this statement that our project is the sole work of our team members and that for parts taken from scientific journals, online tutorial videos, or any other source, it has been properly acknowledged in our list of references.

We have not used and have no intention to pass off the work of others as our own.

Statement by:

Team Member Name	Date of Signature	Signature
Nathaniel Han Shang Yu	15 November 2022
